## Notice of Non Responsive Amendment

1. An amendment which does not comply with the provisions of 37 CFR 1.121(b) and (c) may be held not fully responsive if both a clean version and a marked up version showing changes to the respective parts of the specification/claims are not provided. See MPEP § 714.22.
2. The reply filed on 04-17-2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): - All "currently amended" claims should have markings (strikethrough and underlining suggested). The applicant modified various claims (for example, see claim 106). However, no markings are provided to indicate what has been changed. This problem is presented in each of the currently amended claims.  
See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
